Eurac Research: Consulting for Peace, Tolerance and Diversity

Since our foundation in 1992, Eurac Research has championed peaceful coexistence and tolerance through law.

Our international and interdisciplinary team offers consulting in:

- Human Rights
- Minority and Indigenous Peoples' Rights
- Conflict Resolution in Multiethnic Contexts
- Autonomy in Pluri-ethnic Societies
- Comparative Federalism
- Asymmetric Regionalism
- Participatory Democracy
- Cross-border Cooperation
- Multilevel Governance

We advise state authorities, international organizations, and minorities worldwide for a harmonious and inclusive future.
